TO UPBUILD HILO.

Business Men's Meeting Called Tonight at Fireman's Hall

The proposition of forming an organization whose business it will be to promote the general welfare of Hilo along all lines has taken definite shape. A meeting will be held in Fireman's Hall tonight for the purpose of organizing and setting the work on its way. For some time the need of such an organization has been generally admitted but no one took initiative.

To bring the matter to an issue this week, a canvass of houses was made and nearly every merchant in town was found to favor the effecting of an organization to be known as "The Hilo Chamber of Commerce" or to be called by any title seen fit to adopt. Over thirty of the business men of Hilo signed the call for the mass meeting to be held tonight. All interested in the upbuilding of Hilo are requested to be present.

FOR MRS. SISSON.

Delightful "At Home" Given by Mrs. Scott in Her Honor.

The "At Home" given by Mrs. J. A. Scott at Wainaku last Wednesday afternoon in honor of Mrs. James Sisson was a very pretty affair and was deeply enjoyed by the many ladies present. The reception lasted from three to six p. m. Upon their arrival the guests were received by Miss Florence Scott whence they passed into the parlor where Mrs. Scott and Mrs. Sisson awaited them. Mrs. Sisson was extremely beautiful in her wedding gown and wearing a striking picture hat. Most of the guests knew Mrs. Sisson from the time she waved the ferule of authority as Miss Cheek in the Hilo Kindergarten. Yet there were a number in the company who met the lady of honor for the first time.

After introduction and greetings, the guests passed through the rooms, prettily decorated with roses, ferns and flowers. Later they were escorted to the dining room where tete-a-tete tables were exquisitely laid.

The refreshments served were elaborate and irreproachable. The menu consisted of salads, sandwiches, cakes and ices.

Baseball at Paauilo.

The match game last Sunday at Paauilo between the Papaioa boys and the local team brought out a large number of spectators from the neighboring plantations who enjoyed the spirited playing between the evenly matched teams and added much enthusiasm to the game. The day was fine and, although the diamond was a little rough, good playing was done by both sides. At the close of the ninth inning the score gave the honors of the day to the visitors from Papaioa by one run.

The Papaioa folks are certainly royal entertainers, and the banquet given in the evening in the prettily decorated Social hall was a grand success, and much deserved praise was given the Papaioa team for their generous hospitality. Blue and white bunting, flags and potted plants made a charming effect, and the singing of the Papaioa quartette was all that could be desired. Merry toasts, songs and music added to the evening's entertainment and everybody had a most enjoyable time.

Laupahoehoe Assessor.

Tax Assessor Willfong believes he has complied with the rules of the Republican party in the matter of his deputy at Laupahoehoe. This deputy came originally from the Waiakea Precinct and was endorsed by the Waiakea Precinct Republican Club. He was also endorsed by the District committee. Republicans at Laupahoehoe now object to him because he has not been endorsed by the Laupahoehoe committee.

The Republican rules state that applicants for public office should have the endorsement of the precinct club to which they belong. E. Kaeha Kaiwa belongs to Waiakea, although he lives in Laupahoehoe. He has not had opportunity to register in Laupahoehoe since he moved to that precinct. Mr. Willfong therefore thinks he has complied with the rules, a thing he desires very much to do.

For the Kindergarten.

The "Enoch Arden" entertainment of which notice was given last week, will take place at Mrs. Scott's house Friday, March 18th, at 8 p. m. The number of tickets will be limited to one hundred. Purchasers of tickets are requested to leave their names at the respective Drug Stores, in order that the Volcano Stables and Transportation Co. may know where to send conveyances. Tickets, \$1.00.

No conclusion had been reached regarding the matter, when Mr. Bowman left Honolulu.
